Announcement of ISUZU Distributor & Dealer Aftersales Awards 2026

Dear Esteemed Business Partners,

We deeply appreciate your ongoing dedication and steadfast efforts in addressing the diverse challenges and strategic initiatives we've encountered in Aftersales activities together.
We are pleased to announce the Aftersales Awards 2026 in this letter.

ISUZU Aftersales Awards is the program that surveys and awards distributors and dealers for their aftersales activities. It has been held every year since 2018, and this is the ninth time. In this program, we will investigate the actual situation in accordance with the "Aftersales Way," which is the guideline for ISUZU's aftersales activity.

Through this program, both ISUZU and distributors/dealers will understand the actual condition of the aftersales activities and implement activities together to improve aftersales. By building this cycle as a permanent effort, we aim to raise the level of our aftersales activities and realize a brand that is chosen by customers for its reliability in supporting customers' uptime worldwide.
We hope that our partners will understand and join this activity.

The results will be announced at the ceremony of the 21st ISUZU WORLD TECHNICAL COMPETITION (I-1GP 2026) ~CV Division~ on 28th October 2026. We prepare prizes and incentives for distributors and dealers who got stars this year as well.

In addition, we will make the following changes and improvements this year.

1. Survey sheet: Clarification of the questions and scoring criteria
2. Answer Instructions: Scheduled for distribution by the end of May
3. Incentive: Change of the incentive scheme

For details, please review the attached plan sheet and consider whether you will participate in this program. Regardless of whether you participate or not, please fill out and submit the entry form at the following URL before the due date.
