Part Number
1-8672-4050-1

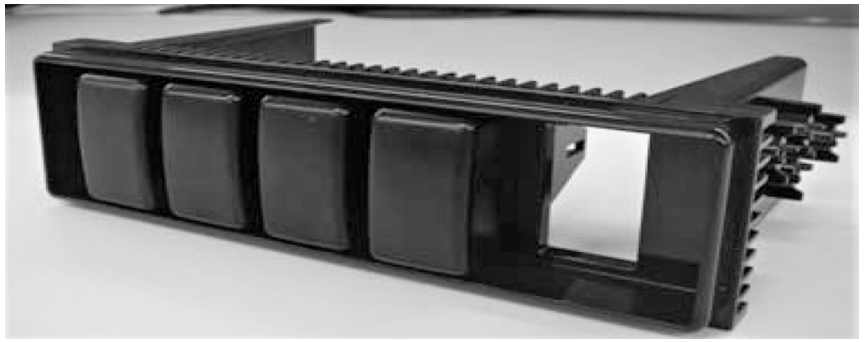

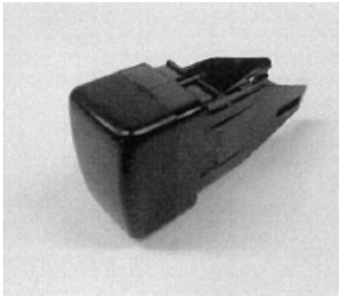

Indicator Illuminated

1DIN Switch storage box

1. For uses who equip lots of switches.
2. Space Optimization : 5 switches can be installed.
3. Compatible for new and current N-series.
4. 4 switch covers included. Isuzu part 8-98025-954-1

Part Number
5-8671-3124-0

Switch cover

Rubber mat

MEMO

1. Designed perfectly fit with new N-series.
2. Features a tray-type design with raised outer edges. This keeps your floor clean even if you step in with dirty shoes, and it's easy to wash with water.

※Image is for 3X cab, ※Passenger Seat is C/O

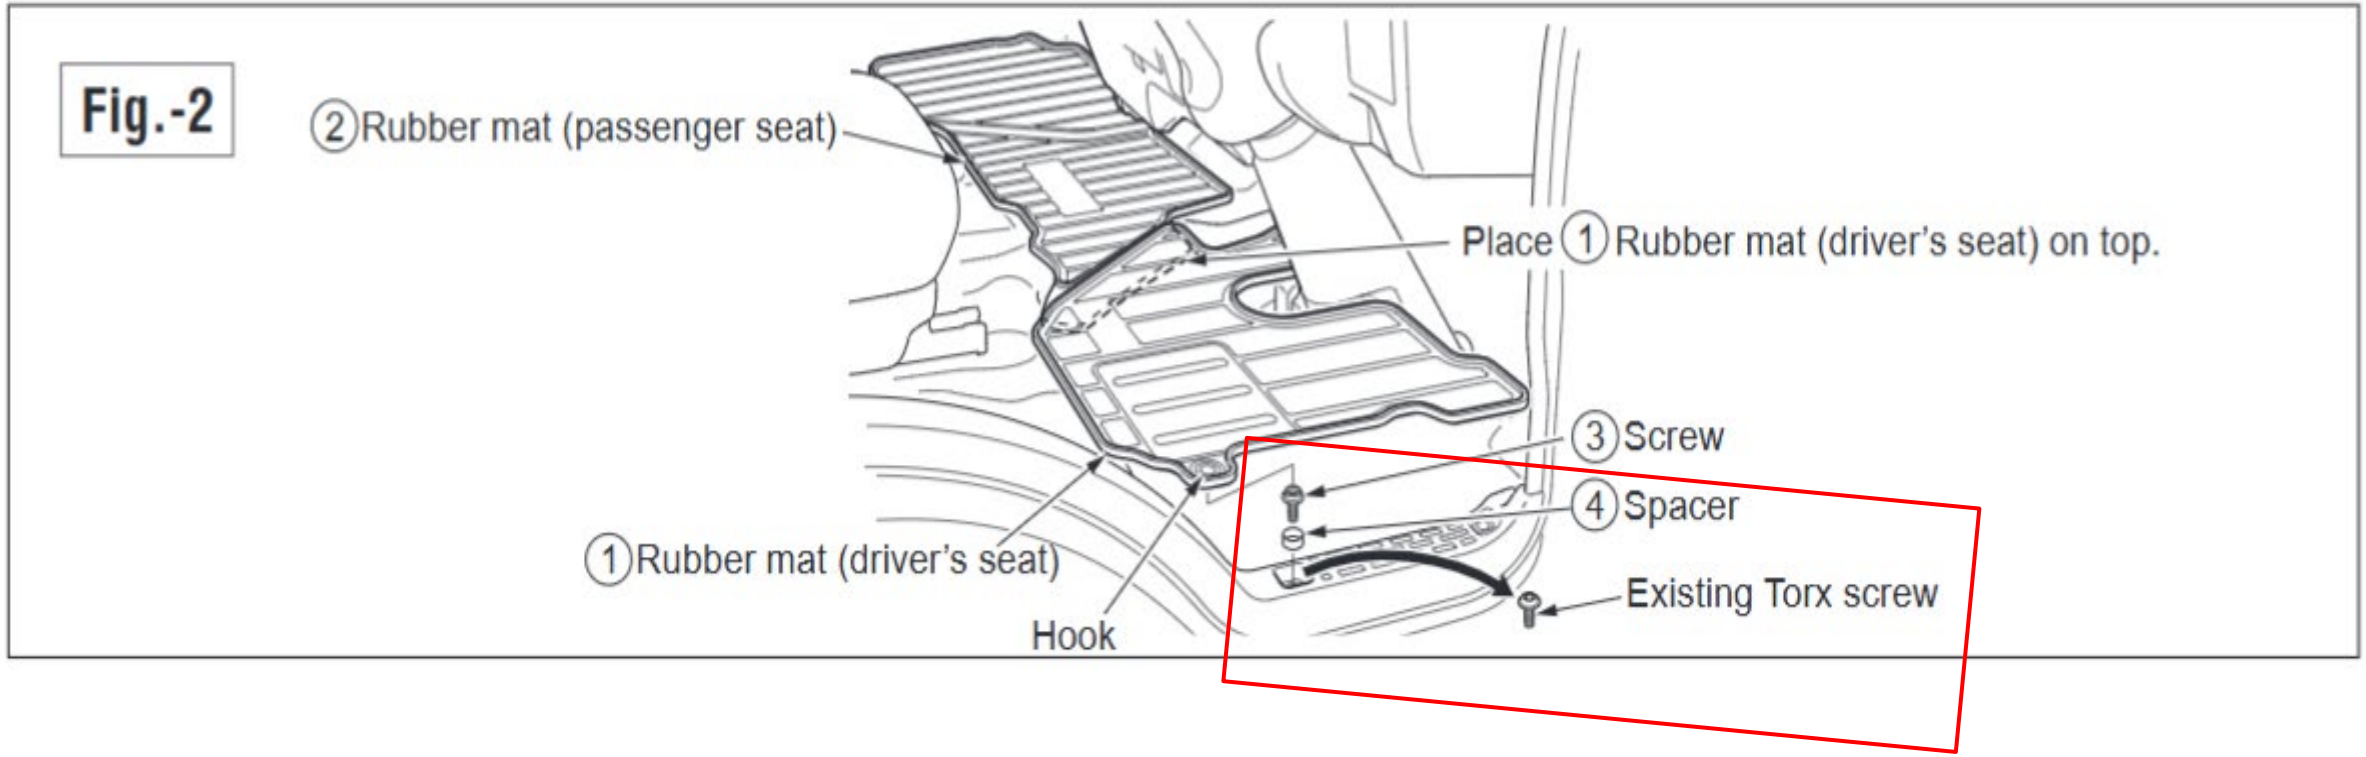

Right or Left	Description	Vehicle Model		Part Number
		2X	3X	
LH	Front	●		5-8676-5592-0
LH	Front		●	5-8676-5593-0

Rubber Mat and floor carpet – Excerpt of installation

INSTALLATION

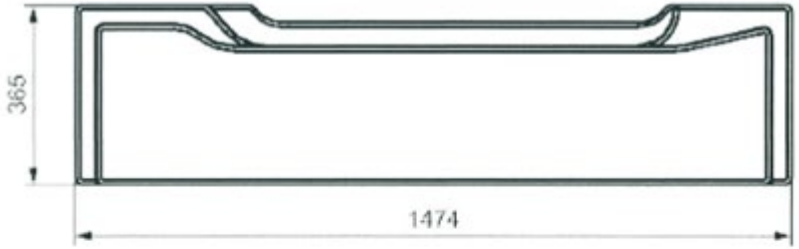

1. Refer to **Fig.-2**, remove the existing side sill cover Torx screw, and install the ③ Screw and ④ Spacer.
2. Refer to **Fig.-2**, attach the hook of ① Rubber mat (driver's seat) to the ③ Screw, and set it on the floor. Next, set the ② Rubber mat (passenger seat) on the floor, and place the part where ① Rubber mat (driver's seat) and ② Rubber mat (passenger seat) overlap so that ① Rubber mat (driver's seat) is on top.

Fig.-2

Rear Rubber mat

For 2X cab

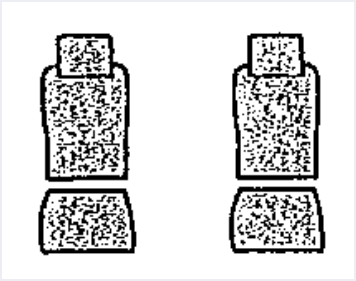

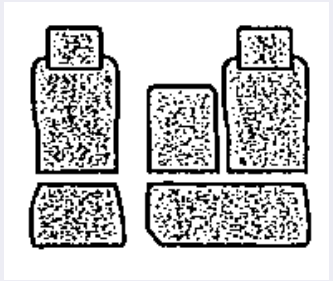

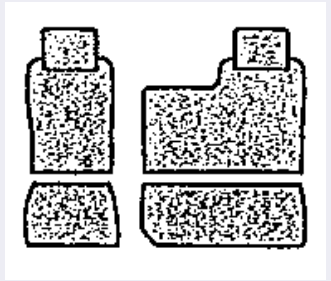

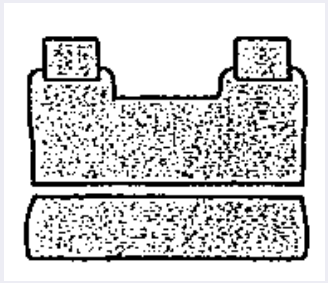

For 3X cab

Description	Part Number	Cab
for crew (double) cab	5-8671-3177-0	For 2X
	5-8671-3178-0	For 3X

Shape of Seat

Regarding seat covers, there are several variations.

2 seats	3 seats with separate type	3 seats with integrated type	Crew cab Rear seats
			

Note

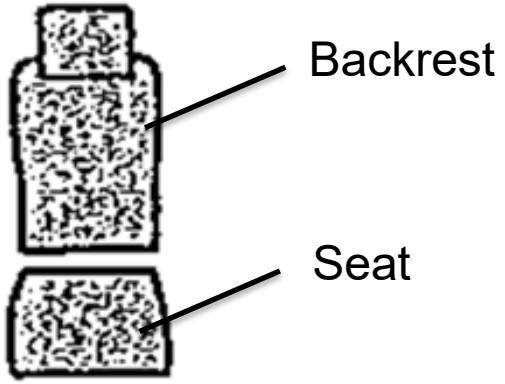

1. Our seat covers cannot be installed on vehicles with a driver's suspension seat, a passenger-side sliding door, or fire trucks (rear).

2. All of them are flame-resistant.

3. Seat covers for armrests are available.

4. Backrest-only and seat-only options are available for both our Clear vinyl and High-durability seat covers.

5. Some seat covers do not cover all the shape of seats.
